### **FREE DATE NIGHT!!**

Well, actually we will watch your kids for free, but the date is on you. **Friday, February 26 from 6-8:30pm.**

LiveOak-Church (a newly formed sister church to Hope) believes in great families and we want to do what we can to help promote them. One key to building a great family is for mom and dad to get some time to spend on their relationship. But, with everything going on in our lives, it's often hard to focus on each other. As a small and simple way to serve you, we would like to give you one night for a date. Leave your kids with us at HCC's facility and our Children's Program team will take excellent care of them. It's free and there are no strings attached - just our way of helping families in the community become great families.

LiveOak is a new church just forming in the Cedar Park/Leander area with a heart to serve our community. We plan to have a fun night of games and interactive activities for your kids. Our Children's Program team is led by an experienced staff and energetic volunteers. We are only able to offer this service to the first 60 children registered, so sign-up today.

Registration due by: Monday, Feb. 22. The adult:child ratio will be 1:3-4, depending on classroom age. Each childcare worker has performed a background check.
